At which location do you intend to host this event?

How many studios does your venue have?

What is the capacity of each studio?

VENUE INFORMATION

VENUE REQUIREMENTS

Forrest Yoga is taught in a space heated to 85 degrees. In considering the venue, we will need to take the heating capacity and the following requirements into consideration.

Ana's events attract groups larger than 50 participants. If your studio's capacity is less than 50, please indicate alternative venues where you could host the event.

Studio capacity

What is your studio capacity? more than 50 less than 50

Heating capacity

Can the studio be heated to 85°F (30°C)? Yes No

Comments:

Floor

What type of flooring does your studio have (wood, low pile carpet, etc)?

Wall space

Does your studio have enough wall space to accommodate half of the number of students (at capacity) to work at the wall?

Yes No

Amenities

Number of bathrooms

Number of changing rooms

Number of showers

Is there a retail space? Yes No

Sound equipment

Do you have a sound system or will equipment need to be rented?
