

# WORKSHOPS with Ana Forrest

## Newcastle, United Kingdom

June 2 – 3, 2012

The Forrest Yoga Workshops are asana focused practices. Forrest Yoga helps you connect to your core - getting strong and centered. It uses heat, deep breathing and vigorous sequences to sweat out toxins. The long holds in the pose progressions help you flush, oxygenate and rejuvenate every cell. The Forrest Yoga Workshops are offered to practitioners of all levels. As a beginner to Forrest Yoga, you learn to breathe deeply and connect in feeling with your body. As you progress, you get proficient at safely tailoring each pose to work best for you; particularly with physical and emotional injuries.

Join Ana Forrest at Eldon Leisure, Dance Studio, High Friars, Newcastle Upon Tyne, Tyne And Wear NE1 7XY and sign up today for any one or all of the following workshops.

**June 2 – 3, 2012**

Ana Forrest is an internationally renowned pioneer in yoga and healing. Her own trauma and life experiences have formed the foundation from which Ana created Forrest Yoga - a distinct approach of using yoga to address today's physical and emotional challenges with a highly developed understanding of the human body and psyche. She challenges her students to access their whole being and to use Forrest Yoga as a path to finding and then clearing the emotional and mental blocks that dictate and limit their lives. With Ana's meticulous guidance, students cultivate an acute awareness of their own practice and life process, creating a unique and powerful opportunity for the student to make practical life decisions based on their own experiences. "In teaching Forrest Yoga, I am doing my part to 'Mend the Hoop of the People,' to inspire people to clear through the stuff that hardens them and sickens their bodies so they can walk freely and lightly in a healing way, in a Beauty Way."

With more than 35 years of experience teaching yoga, Ana Forrest is a living example of a teacher who has freed herself from the strictures of trauma and habits and chosen a warrior's path of truth and compassion. She became a certified yoga instructor at the age of 18, is an ordained practitioner of Native American medicine and has studied Polarity Therapy, Acupressure, Homeopathy, Hands-on Healing, Martial Arts, Psychotherapy and Regression Therapy.

Giving her life mission to 'Mend the Hoop of the People' a global reach, Ana continues to teach around the world throughout the year.

Ana's book, [Fierce Medicine](#), (HarperOne) was published in May, 2011.
